

Shapes & Colors Classification (3Y+)

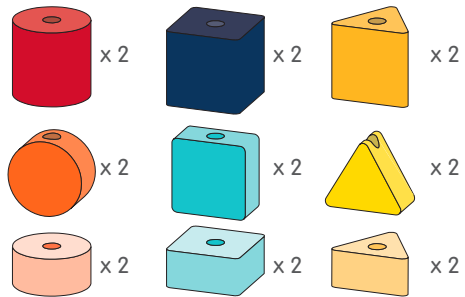

Long rope for expert (3Y+)

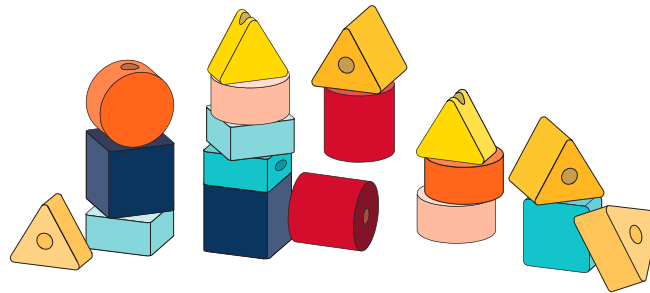

Short rope for beginner (2Y+)

This set contains

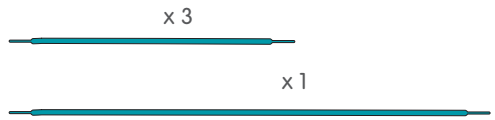

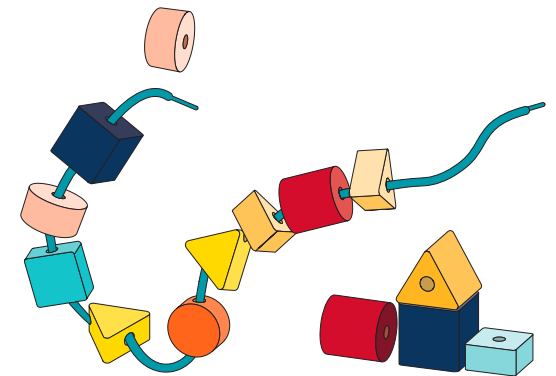

Play Instruction

What is Unit Plus?

This collection of open-ended toys is designed to support each growth stage equally. Toddlers can begin to explore color, shape and size recognition while elementary-aged children develop further understanding of foundational math skills. The standardized size of each item in the collection makes it possible for the sets to be played with alongside the others to enlarge the set for the boundless play value.
